# CONNECTION FEE ASSISTANCE PROGRAM

NOW INCLUDES EHR/EMR FEE REIMBURSEMENT FOR APPROVED APPLICANTS!

WHAT IS IT?

Through the Health Information Exchange Connection Fee Assistance Program, all Oklahoma providers can access funding for connecting their EHR/EMR to the state designated HIE, MyHealth. There is $21 million available to providers who apply now. All eligible providers are encouraged to apply today.

WHY?

As providers, the ability to enhance coordination of care and improve patient outcomes is a top priority. The Connection Fee Assistance program offers financial incentives for HIE participation. Receive accurate and timely data, avoid costly redundant tests, and enable better resource allocation with MyHealth. Follow the 3 steps outlined here to join today!

STEP 1

Apply for MyHealth Access Network, Oklahoma's state designated health information exchange.

Click or Scan to Join!

STEP 2

Submit your application through the Office of the State Coordinator to receive assistance with one-time connection fee costs. Subscription fees not included.

Click or Scan to Apply!

STEP 3

Receive approval from the Office of the State Coordinator on your participation in the Connection Fee Assistance Program.

NEED HELP COVERING EHR/EMR FEES?

If your EHR/EMR vendor charges additional one-time fees to connect to MyHealth, these charges may qualify for coverage by submitting the EHR/EMR vendor expense application.

Click or Scan to Apply!
